

ECOLOGICAL ENHANCEMENT

Ecological enhancement will be delivered by the installation of a minimum of

1 x bug hotel on fence in garden shown in position 1
1 x bird box on the south west elevation of the proposed garden room shown in position 2 (above 1.5m high as per manufacturers instructions)

TIMETABLE

These will be erected prior to the first beneficial use of the development or within 3 months of the date of completion of the development. The boxes will be monitored for activity.
