Reason:
In the interests of clarity.

Pre-Commencement Conditions

- 3 The works of demolition shall not be carried out before details of the method of demolition have been submitted to and approved in writing by the Local Planning Authority. The demolition of the building shall be carried out in accordance with the approved details.

Reason:
In the interest of protection of the Listed Building and to comply with Policy SP21 of the Neath Port Talbot Local Development Plan.

- 4 Before beginning any development at the site, you must do the following: -
 - a) Notify the Local Planning Authority in writing that you intend to commence development by submitting a Formal Notice under Article 24B of the Town and Country Planning (Development Management Procedure) (Wales) Order 2012 (DMPWO) in the form set out in Schedule 5A (a newly inserted Schedule) of the DMPWO (or in a form substantially to the like effect); and
 - b) Display a Site Notice (as required by Section 71ZB of the 1990 Act) in the form set out in Schedule 5B (a newly inserted Schedule) of the DMPWO (or in a form substantially to the like effect), such Notice to be firmly affixed and displayed in a prominent place, be legible and easily visible, and be printed on durable material.

Superseded

Such Notice must thereafter be displayed at all times when development is being carried out.

Reason:

To comply with procedural requirements in accordance with Article 24B of the Town and Country Planning (Development Management Procedure) (Wales) Order 2012 (DMPWO) and Section 71ZB of the Town and Country Planning Act 1990.

NOTE: Templates of the required Notice and Site Notice are available to download at www.npt.gov.uk/planning

- 5 No development shall commence on site until an assessment of the nature and extent of contamination affecting the application site area has been submitted to and approved in writing by the Local Planning Authority. This assessment must be carried out by or under the direction of a suitably qualified competent person in accordance with BS10175 (2011) 'Investigation of Potentially Contaminated Sites Code of Practice' and shall assess any contamination on the site, whether or not it originates on the site. The report of the findings shall include:
- (i) a desk top study to identify all previous uses at the site and potential contaminants associated with those uses and the impacts from those contaminants on land and controlled waters. The desk study shall establish a 'conceptual site model' (CSM) which identifies and assesses all identified potential source, pathway, and receptor linkages;
 - (ii) an intrusive investigation to assess the extent, scale and nature of contamination which may be present, if identified as required by the desk top study;
 - (iii) an assessment of the potential risks to:
 - human health,
 - groundwater and surface waters
 - adjoining land,
 - property (existing or proposed) including buildings, crops, livestock, pets, woodland and service lines and pipes,- ecological systems,
 - archaeological sites and ancient monuments; and
 - any other receptors identified at (i)
 - (iv) an appraisal of remedial options, and justification for the preferred remedial option(s).

Reason:

To ensure that information provided for the assessment of the risks from land contamination to the future users of the land, neighbouring land, controlled waters, property and ecological systems is sufficient to enable a proper assessment, and to ensure compliance with Policies SP16 and EN8 of the Neath Port Talbot Local Development Plan.

- 6 Prior to the commencement of work on site a Construction Noise and Vibration Management Plan shall be submitted to and approved in writing by, the Local Planning Authority. The approved Noise Management Plan shall identify all significant noise sources; detail the physical and operational management controls necessary to mitigate emissions from these noise sources; hours of working on site, and specified hours for deliveries; and any elements of operation that could lead to amenity issues from noise and disturbance to surrounding properties. The Construction Noise and Vibration Management Plan shall also detail any noise

Superseded

complaint investigation procedures. The approved Construction Noise and Vibration Management Plan shall be adhered to throughout the operation of the approved use.

Reason:

In the interests of the amenity of the adjoining properties and to accord with Policy BE1 of the Neath Port Talbot Local Development Plan.

- 7 No development shall commence, including any works of demolition, until a Construction Method Statement has been submitted to and approved in writing by the Local Planning Authority. The approved statement shall be adhered to throughout the construction period. The statement shall provide for:

- a) the parking of vehicles of site operatives and visitors;
- b) loading and unloading of plant and materials;
- c) storage of plant and materials used in constructing the development;
- d) the erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate;
- e) wheel washing facilities;
- f) measures to control the emission of dust and dirt during demolition and construction; and
- g) a scheme for recycling/disposing of waste resulting from demolition and construction works.

Reason:

In the interest of highway and pedestrian safety, the environment, and the amenity of residents, and to ensure accordance with Policies BE1 and TR2 of the adopted Neath Port Talbot Local Development Plan.

- 8 No development shall take place until a scheme to enable the provision of gigabit capable broadband infrastructure from the site boundary to the dwellings/buildings hereby permitted has been submitted to and agreed in writing by the local planning authority. Development shall be carried out in accordance with the approved details.

Reason:

To support the roll-out of digital communications infrastructure across Wales in accordance with Policy 13 of Future Wales.

Action Conditions

- 9 No construction works shall commence on site until a remediation scheme to bring the site to a condition suitable for the intended use by removing any unacceptable risks to human health, buildings, other property and the natural and historic environment shall be prepared and submitted to and approved in writing with the Local Planning Authority. The scheme shall include all works to be undertaken, proposed remediation objectives, remediation criteria and site management procedures. The measures proposed within the remediation scheme shall be implemented in accordance with an agreed programme of works.

Reason:

Superseded

To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors, and to ensure compliance with Policies SP16 and EN8 of the Neath Port Talbot Local Development Plan.

- 10 Notwithstanding the submitted details, no construction works shall commence on site until a scheme for obscure-glazed privacy screens to the balconies is submitted to and approved in writing by the Local Planning Authority, the scheme shall be implemented prior to the occupation of the first residential unit and retained as such thereafter.

Reason:

In the interest of residential amenity of the occupiers of the proposed and neighbouring properties, and to ensure compliance with Policy BE1 of the Neath Port Talbot Local Development Plan.

- 11 Notwithstanding the details shown in the application, no construction works shall commence on site until there has been submitted to and approved in writing by the Local Planning Authority a scheme of landscaping. All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the development or the completion of the development, whichever is the sooner; and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species.

Reason:

In the interests of maintaining a suitable scheme of landscaping to protect the visual amenity of the area, to maintain the special qualities of the landscape and habitats through the protection, creation and enhancement of links between sites and their protection for amenity, landscape and biodiversity value, and to ensure the development complies with Policies SP15 and BE1 of the Neath Port Talbot Local Development Plan.

- 12 Notwithstanding the details submitted, no construction works shall commence on site until a scheme for the lighting of the communal area shall be submitted to and approved by the Local Planning Authority. The approved scheme shall be implemented prior to occupation the residential units hereby approved and shall be retained as such thereafter.

Reason:

In the interest of the amenities of the adjoining properties, , and to ensure accordance with Policy BE1 of the adopted Neath Port Talbot Local Development Plan.

- 13 No construction works shall commence on site until details of a scheme to either protect the structural condition or divert the strategic public sewer crossing the site have been submitted to and approved in writing by the Local Planning Authority. The scheme shall include a detailed design, construction method statement and risk assessment outlining the measures taken to secure and protect the structural condition and ongoing access of the strategic water mains. No other development

Superseded

pursuant to this permission shall be carried out until the approved protection measures or diversion scheme have been implemented and completed. The approved scheme shall be adhered to throughout the lifetime of the development and the protection measures shall be retained in perpetuity.

Reason:

To protect the integrity of the public sewerage system and to protect the health and safety of existing residents and ensure no pollution of or detriment to the environment, and ensure the development complies with Policy SP16 and BE1 of the Neath Port Talbot Local Development Plan.

- 14 No construction works shall commence on site until a detailed scheme shall be submitted to and approved by the local planning authority demonstrating that the layout and the sound insulation performance of the residential units achieves the relevant values detailed in Table 4 of British Standard BS8233:2014. The development shall be constructed in full accordance with the approved details and each residential unit shall not be occupied until all elements of the approved scheme are implemented as such thereafter.

Reason:

In the interests of the amenity of the adjoining properties and to accord with Policy BE1 of the Neath Port Talbot Local Development Plan.

- 15 Prior to beneficial use of the proposed development commencing, a verification report which demonstrates the effectiveness of the agreed remediation works carried out in accordance with condition 9 shall have been submitted to and approved in writing by the Local Planning Authority.

Reason:

To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors and to ensure compliance with Policies SP16 and EN8 of the Neath Port Talbot Local Development Plan.

- 16 Notwithstanding the details shown in the application, no construction works shall take place on site until a scheme indicating the positions, height, design, materials and type of boundary treatment to be erected to all boundaries shall be submitted to and approved in writing by the Local Planning Authority. The boundary treatment shall be completed, as approved, prior the first beneficial use is of the residential units and retained as such thereafter.

Reason:

In the interest of visual amenity and to ensure compliance with Policy BE1 of the Neath Port Talbot Local Development Plan.

- 17 Prior to their use in the construction of the development hereby permitted, samples of the materials to be used in the construction of the external surfaces of the development shall have been submitted to and approved in writing by the Local

Planning Authority. Development shall be carried out in accordance with the approved details.

Reason:

In the interest of the visual amenity of the area and to ensure the development complies with Policy BE1 of the Neath Port Talbot Local Development Plan.

- 18 The commercial vehicle car parking space as shown on plan no. AL(10)01 Rev B plans shall be provided prior to the first beneficial use of the development hereby permitted, and shall thereafter be used solely for the benefit of the occupants of the residential development of which it forms part and for no other purpose and permanently retained as such.

Reason: In the interest of highway safety and to ensure the development complies with Policy TR2 of the Neath Port Talbot Local Development Plan.

- 19 The development shall not be occupied until the facilities for the secure storage of cycles and bins have been provided in accordance with the approved plan details, such facilities shall thereafter be retained as approved at all times.

Reason:

In the interest of residential amenity and highway safety and to ensure the development complies with Policies BE1 and TR2 of the Neath Port Talbot Local Development Plan

- 20 Prior to the first occupation of any residential unit hereby approved, a landscape management plan, including management responsibilities and maintenance, for all landscaped areas other than privately owned domestic gardens, shall have been submitted to and approved in writing by the Local Planning Authority. The landscape management plan shall be implemented and adhered to in accordance with the approved details thereafter.

Reason:

In the interest of visual amenity, and to ensure the long term management and maintenance of all landscaped areas that lie outside of the curtilage of individual properties, and to ensure the development complies with Policies SP15 and BE1 of the Neath Port Talbot Local Development Plan.

- 21 Prior to the installation of the proposed solar panels to the roof area a scheme indicating the positions, height, and design of the solar panels shall be submitted to and approved in writing by the Local Planning Authority. The solar panels shall be installed in accordance with the approved details.

Reason:

In the interest of visual amenity and to ensure compliance with Policy BE1 of the Neath Port Talbot Local Development Plan.

- 22 In the event that contamination is found at any time when carrying out the approved development that was not previously identified, work on site shall cease immediately and shall be reported in writing to the Local Planning Authority. A Desk Study, Site Investigation, Risk Assessment and where necessary a Remediation Strategy must be undertaken in accordance with the following document:- Land Contamination: A Guide for Developers (WLGA, WAG & EAW, July 2006). This document shall be

Superseded

submitted to and agreed in writing with the Local Planning Authority. Prior to occupation of the development, a verification report which demonstrates the effectiveness of the agreed remediation, shall be submitted to and agreed in writing with the Local Planning Authority.

Reason:

To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other off site receptors, and to ensure compliance with Policies SP16 and EN8 of the Neath Port Talbot Local Development Plan.

- 23 There shall be no piling activities related to the construction of the development hereby approved unless a piling method statement has first been submitted to and approved in writing by the Local Planning Authority. Any piling shall only be carried out in accordance with the approved method statement.

Reason:

In the interest of residential amenity during the construction phase and to ensure compliance with Policies SP16, EN8 and BE1 of the Neath Port Talbot Local Development Plan.

- 24 If the entire scheme is not Social Housing Grant Funded a scheme for the provision of affordable housing as part of the development shall be submitted to and approved in writing by the Local Planning Authority. The affordable housing shall be provided in accordance with the approved scheme and shall meet the definition of affordable housing in Annex B of TAN 2 or any future guidance that replaces it. The scheme shall include:

- i) the numbers, type, tenure and location on the site of the affordable housing provision to be made which shall consist of not less than 25 %of housing units;
- ii) the timing of the construction of the affordable housing and its phasing in relation to the occupancy of the market housing;
- iii) the arrangements for the transfer of the affordable housing to an affordable housing provider [or the management of the affordable housing (if no RSL involved)];
- iv) the arrangements to ensure that such provision is affordable for both first and subsequent occupiers of the affordable housing; and
- v) the occupancy criteria to be used for determining the identity of occupiers of the affordable housing and the means by which such occupancy criteria shall be enforced.

Reason:

In order to secure an appropriate level of affordable housing in accordance with Policies AH1 and I1 of the Neath Port Talbot Local

Regulatory Conditions

- 25 The noise rating level emitted from any external heating and ventilation plant shall not be greater than the existing background noise level. The noise levels shall be determined at the nearest noise-sensitive premises or at another location that is deemed suitable by the Local Planning Authority. Measurements and assessments

Superseded

shall be made in accordance with "BS 4142:2014 Method for rating and assessing industrial and commercial sound.

Reason:

In the interests of the amenity of the adjoining properties and to accord with Policy BE1 of the Neath Port Talbot Local Development Plan.

- 26 The flat roof areas on the 3rd floor shall not be used as a balcony, roof garden, terrace or amenity area/space.

Reason:

In the interests of the amenity of the adjoining properties and to accord with Policy BE1 of the Neath Port Talbot Local Development Plan.

- 27 The office/management room as shown on plan number AL(10)01 Rev B shall be provided prior to the first occupation of the residential units, and shall thereafter be used solely as an office in association with the management of the housing association and for no other purpose and permanently retained as such.

Reason: To ensure the management facilities are available for the development.

- 28 No surface water and/or land drainage shall be allowed to connect directly or indirectly with the public sewerage network

Reason:

To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no pollution of or detriment to the environment, and to ensure the development complies with Policy SP16 and BE1 of the Neath Port Talbot Local Development Plan.

- 29 Demolition or construction works shall not take place outside the hours of 08:00 to 18:00 Monday to Friday, 08:00 to 13:00 on Saturdays and no construction operations on Sundays or Bank Holidays without the prior written approval of the Local Planning Authority.

Reason:

In the interest of residential amenity and to ensure the development complies with Policy BE1 and EN8 of the Neath Port Talbot Local Development Plan.

Informatives:

1 The proposed development is crossed by apparatus. Dwr Cymru Welsh Water as Statutory Undertaker has statutory powers to access apparatus at all times. It may be possible for watermain to be diverted under Section 185 of the Water Industry Act 1991, the cost of which will be re-charged to the developer. The developer must consult Dwr Cymru Welsh Water before any development commences on site.

2 Please note that SAB approval will be required prior to any work commencing. It is a breach of approval required under Paragraph 7 (1) Schedule 3 of the Flood and Water Management Act 2010 whereby action will be taken by the Authority under The Sustainable Drainage (Enforcement) (Wales) Order 2018.

3 Bats often roost in trees, and work on these trees may disturb a bat roost. All bats and their roosts are protected against disturbance under UK and European legislation. If works are planned on a tree in which bats are roosting, Natural Resources Wales must be contacted. If work has already commenced and bats are found, or if any evidence that bats are using the site as a roost is found, work shall cease and NRW should be contacted immediately. Where bats or their roosts are present, no works of felling, lopping or pruning shall take place unless a licence to disturb these species and/or their roosts has been granted in accordance with the relevant legislation. NRW can be contacted at:- Natural Resources Wales, Ty Cambria, 29 Newport Road, Cardiff CF24 0TP, 0300 065 3000

The decision to recommend planning permission has been taken in accordance with Section 38 of The Planning and Compulsory Purchase Act 2004, which requires that, in determining a planning application the determination must be in accordance with the Development Plan unless material considerations indicate otherwise. The Development Plan comprises Future Wales - the National Plan 2040 and the Neath Port Talbot Local Development Plan (2011-2026) adopted January 2016.

It is considered that the development proposal represents an appropriate form of development that would have no unacceptable impact on the vitality and viability of Neath Town Centre, residential amenity or highway and pedestrian safety, it would be visually acceptable, having no detrimental impact on the Conservation Area or setting of any listed buildings. Accordingly, the proposed development is in accordance with Policies SC1, AH1, I1, OS1, EN6, TR2, BE1, BE2 of the Neath Port Talbot Local Development Plan.

It is further considered that the decision complies with Future Wales - the National Plan 2040 and the Council's well-being objectives and the sustainable development principle in accordance with the requirements of the Well-being of Future Generations (Wales) Act 2015.

IMPORTANT:

(1) Please note that for all decisions issued after 16th March 2016 for outline or full planning permission, a revised decision notice will be issued whenever a subsequent consent is given, for example providing details of any Reserved Matters approvals (outline applications only) and/or approval of conditions (including on Reserved Matters). This will ensure that the current status of the conditions applied to a consent is clear. Accordingly you are advised to visit www.npt.gov.uk/planning to view the application documentation to see if this is the current version, or whether it has been superseded by a more up-to-date revision of this Decision Notice. For Reserved Matters approvals the revised Decision Notice will only be shown under the Outline approval.

(2) Please note that this consent is specific to the plans and particulars approved as part of the application. Any departure from the approved plans will constitute unauthorised development and may be liable to enforcement action. You (or any subsequent developer) should advise the Council of any actual or proposed variations from the approved plans immediately so that you can be advised how to best resolve the matter.

(3) In addition, any conditions that the Council has imposed on this consent will be listed above and should be read carefully. It is your (or any subsequent developers) responsibility to ensure that the terms of all conditions are met in full at the appropriate time (as outlined in the specific condition). Please note that any works carried out without compliance with the conditions attached to this approval will be entirely at the risk of the persons involved and may result in formal action being taken by the Local Planning Authority.

(4) The developer should have regard to Sections 4, 7, 8 and 8A of the Chronically Sick and Disabled Persons Act 1970 and to the British Standards Institution's Code of Practice for "Design of buildings and their approaches to meet the needs of disabled people" (BS 8300:2009+A1:2010).

(5) From 1st October 2012 it has been an offence to install a public sewer or lateral drain without having an adoption agreement in place. From the 1st October 2012 the vast majority of all existing private sewers and lateral drains which link with the public sewer network were transferred to Welsh Water. For further details on how this will affect your development please contact: Welsh Water Developer Services, PO Box 3146, Cardiff, CF30 0EH. Telephone No. 0800 9172652 or email: devservices@welshwater.co.uk.

(6) Welsh Water Dwr Cymru advise that the planning permission hereby granted does not extend any rights to carry out any works to the public sewerage or water supply systems without first having obtained the necessary permissions required by the Water Industry Act 1991.

Please note, in accordance with Construction and Design Management (CDM) Regulations, it is the applicant's responsibility to ensure that any proposed works within their curtilage do not conflict with any underground services and is recommended they review their land registry title deeds for any legal covenants. For Sewers or Watermains that may be present and affected by your proposals, you are advised to contact Dwr Cymru Welsh Water who will be able to explain whether your proposed works will be acceptable as well as any consent required. Prior to commencing works, it is also recommend the applicant review the information and guidance on Building Over Sewers

available on Welsh Water's website at

The applicant is also advised that some public sewers and lateral drains may not be recorded on Welsh Water maps of public sewers because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. The presence of such assets may affect the proposal. In order to assist us in dealing with the proposal the applicant may contact Dwr Cymru Welsh Water to establish the location and status of the apparatus. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times.

IMPORTANT INFORMATION: TOWN AND COUNTRY PLANNING ACT 1990

The applicant's attention is drawn to the notes below.

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Welsh Government under Section 78 of the Town and Country Planning Act 1990 (as amended).
- (2) You can also appeal to the Welsh Government against a decision to refuse permission or grant subject to conditions in respect of applications made for :- Listed Building or Conservation Area Consent; Consent under a Tree Preservation Order; Advertisement Consent.
- (3) You can also appeal If your application for a Certificate of Lawful Existing Use or Lawful Proposed Use is partly or wholly refused or is granted differently from what you asked for (under Section 195/196) of the Town and Country Planning Act 1990 (as amended).
- (4) If you are aggrieved of the LPAs decision, the following deadlines apply for appeals to be submitted to the Welsh Government (from the date of the Council's decision):-
 - (1) Planning Permission (with the exception of Minor Commercial and Householder applications – see below) Within 6 Months
 - (2) Householder Appeal see endnote i Within 12 weeks
 - (3) Minor Commercial Appeal see endnote i Within 12 weeks
 - (4) Listed Building or Conservation Area Consent appeals Within 6 months
 - (5) Tree Preservation Order (TPO) Consent Within 28 days
 - (6) Advertisement Consent Within 8 weeks
 - (7) Certificate of Lawfulness of Existing (Section 191) or Proposed (Section 192) Use or Development Within 6 months

- (5) Appeals must be made on a form which is obtainable from the Planning Inspectorate, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ – Tel 0303 444 5940, or online at www.planningportal.gov.uk/pcs .
- (6) The Welsh Government has power to allow a longer period for the giving of notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- (7) The Welsh Government is not required to entertain an appeal if it appears to them that permission for the proposed development could not have been granted having regard to the statutory requirements to the provisions of the development order, and to any directions given under the Order. They do not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by them.
- (8) If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Welsh Government, and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonable beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the County Borough Council, in which the land is situated, as the case may be, a **purchase notice** requiring that Council purchase his interest in the land in
