Dear Mr O' Mahoney

I am writing to provide you with an update on the ecological conditions of the site under construction Addressed AfalyGraig Orchard, Neath Road, Neath.

As an ecologist with extensive experience in environmental assessments, I have conducted a thorough analysis of the site in question and compared the findings with the data presented in the previous report undertaken on the 24th of October 2021. After careful evaluation, I can confirm there is no significant difference to the site at present (20th June 2023).

Should you require any further information regarding the assessment please do not hesitate to contact me.

Yours sincerely,

Mr William Pryce CEcol
Chartered Ecologist
