Designer Risk Assessment

In addition to everyday tasks that can be undertaken safely by a competent and experienced contractor, note the following:

- Proximity to public highways, neighbouring residential properties, retaining structures and overhead cables/trees
- Unknown underground services may cross the site and may require agreements with the relevant authorities
- All works to be in accordance with The Party Wall Act

- CDM + Building Regulations apply
- Any structure built before 2000 must have an appropriate asbestos survey and report prior to commencement of any works (including demolition and exploratory works)
- Structural Engineer's advice will be needed prior to commencement of any works (including demolition and exploratory works) and may influence the design.
