Details of Materials

P2021/0257 | TV camera stand with associated seating (Revised Design showing access stairs relocated to within the structure. | Briton Ferry Llansawel AFC Old Road Neath SA11 2BS

This document is produced to support the removal of condition No.3 of planning application ref: P2021/0257: TV Gantry at Llansawel AFC grounds in Briton Ferry. Planning was approved on 22 March 2021.

The TV Gantry has been constructed using concrete blocks and finished with cladded timber sheet plywood painted red to match the existing surrounding seating/stands and backboards.

The roof is constructed using grey coloured corrugated metal sheet material.
