

- ALL DIMENSIONS TO BE CHECKED ON SITE:** Contractor to check and verify all building and site dimensions. Contractor is to comply in all respects with the current building codes and regulations and standards. The drawing or not. This drawing must be read and checked against any other special drawings provided. A manufacturer's recommendations and instructions for guidance only all specialist Consultants & Contractors to check and verify. Any discrepancies in all of the above must be reported to the Principal Designer.
- CDM -** If we are appointed as a Designer or Principal Designer, for the Pre-Construction Phase only, we can only carry out our duties for that phase. This means that we will give all relevant design information for consideration in the Construction Phase to the Principal Designer. At the end of the Pre-Construction Phase, it will be the Client's responsibility to pass that information on to the Principal Contractor and the Principal Designer. Designers, which the client subsequently appoints.
