Survey produced for GCRE Wales

Date: 08/09/22

Minor amendments to survey made based on photographic drone survey October 2023.

1. This survey has been computed and drawn on the Ordnance Survey UK National Grid using the OSTN15 grid transformation.
2. All levels are in meters and relate to Ordnance Datum, Newlyn, using the OSTN15_ geoid model.
3. This survey was surveyed for a scale of 1:500; any subsequent enlargement should be verified on site.
4. Whilst every care has been taken, no responsibility can be accepted for errors or omissions caused by detail obscured at the time of this survey.
5. The majority of the survey was undertaken photogrammetrically using drone aerial imagery flown on 22nd and 23rd June 2022.
6. The survey combines dense and ground survey. Ground survey was not undertaken by Atkins.
