Registered in England & Wales No 6378151

This application has been prepared in accordance with the Code of Best Practice on Mobile Phone Network Development (Wales) (2021).

The enclosed application is identified as the most suitable site option and design that balances operational need with local planning policies and national planning policy guidance. It will deliver public benefit in terms of the mobile services it will provide.

Furthermore, we would like to assist the council and would like to arrange a presentation or meeting with your officers and members to discuss the issues if appropriate.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any additional information in relation to this application.

We look forward to receiving your acknowledgement and decision in due course.

Should you have any queries regarding this matter, please do not hesitate to contact me (quoting cell number 22642).

Yours faithfully

Chris Andrews
Planning Consultant
