APPLICATION NO: P2024/0067

LOCATION: 59 Crymlyn Road, Skewen, Neath, Neath Port Talbot, SA10 6EG

PROPOSAL: Side and rear wrap-around dormer to roof, front canopy over front door and bay window and associated works.

THE NEATH PORT TALBOT COUNTY BOROUGH COUNCIL AS THE LOCAL PLANNING AUTHORITY IN PURSUANCE OF ITS POWER UNDER THE ABOVE MENTIONED ACT AND ORDER HEREBY REFUSES TO PERMIT THE PROPOSED DEVELOPMENT FOR THE FOLLOWING REASONS:-

Reasons For Refusal:-

1 The proposed dormer by virtue of its design, scale and massing represents an inappropriate, incongruous and convoluted form of development that fails to comply with the relevant criteria set out within the Council's approved Design Supplementary Planning Guidance, notably the Householder Development Design Guide at Appendix B, and consequently fails to consider the character and appearance of the main dwellinghouse or the existing site context, to the detriment of visual amenity. As a consequence, the proposed development would be contrary to the overarching principles of good design set out within Planning Policy Wales (Edition 12), TAN 12: Design, and Policy BE1 of the Neath Port Talbot Local Development Plan.

The decision to refuse planning permission has been taken in accordance with Section 38 of The Planning and Compulsory Purchase Act 2004, which requires that, in determining a planning application the determination must be in accordance with the Development Plan unless material considerations indicate otherwise. The Development Plan comprises Future Wales - the National Plan 2040 and the Neath Port Talbot Local Development Plan (2011-2026) adopted January 2016.

The proposal represents an inappropriate form of development that fails to respect the character and appearance of the main dwellinghouse, the existing site context and the prevailing pattern of residential development. The proposal is therefore considered contrary to Policies SP21 and BE1 of the Neath Port Talbot Local Development Plan, and the advice on good design contained within Planning Policy Wales Edition 12, Technical Advice Note 12, and the Council's Adopted Design Supplementary Planning Guidance.

It is further considered that the decision complies with Future Wales - the National Plan 2040, specifically Policies 2 (Shaping Urban Growth and Regeneration - Strategic Placemaking) & 9 (Resilient Ecological Networks and Green Infrastructure), and the Council's well-being objectives and the sustainable development principle in accordance with the requirements of the Well-being of Future Generations (Wales) Act 2015.
