

Proposed Garden Shed - Construction Materials

Address : 25 Ffordd Danygraig Godrergraig SA92BH

The shed will be constructed from reinforced concrete panels with a pebbledash finish to the exterior.

The roof will be at a 15 degree angle pitch and be constructed from bold roll fibre cement roof sheets in terracotta.

At the front view of the shed there will be a standard size white PVCu door and a 1.22m PVCu window. There will also be a pre framed , fully retractable , white powder coated galvanised steel , horizontal ribbed up and over door.
