This letter and the enclosures also provide due notification, as may be required, under the relevant conditions of the Electronic Communications Code (Conditions and Restrictions) Regulations 2003, as amended. In particular, you are given notice of the intention to install the electronic communications apparatus described in more detail in the application documentation (including the scale drawings) and to be located as shown on the application plans. We indicated in our prior engagement letter that the Traffic Light Rating was amber. The prior engagement carried out suggests this rating to be correct and we have not altered it.

We trust everything is in order, but if you do require any further information or clarification, please do not hesitate to contact me using the contact details provided below.

Yours faithfully

Archie Roberts
