**Application for Tree Works – Land between 77 and 79 Pen Yr Alltwn,
Alltwn, Pontardawe**

Dear Rhodri,

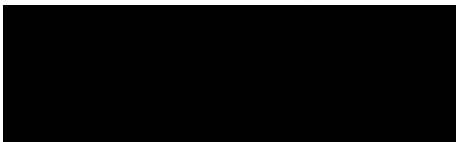

Further to your email of 7th August, please find a resubmission of the application which has taken on board your guidance. Because the file is large, I haven't uploaded to the planning portal yet and in first instance sending in through your own good offices if that is OK.

1. Location plan is attached ~~needs to be provided in support of your new application.~~ Location plan refers to G2 and G3 trees being one species only as suggested
2. Original copy of TPO enclosed
3. Application form. This now refers to the works need to be referred to as 'reduce' or 'remove', as opposed to trim.

I hope this fully reflects the guidance to that we can reach consent and move on with the works for access to maintain the farmland this land accesses.

I will call you in a few days when you have received this letter.

Yours sincerely

D K Jenkins
