VILLAGE SIGN

File name: 12 B_AR 1.3

General location: 1 in Pontrhydyfen

Size: 1300mm (w) x 1780mm (h) sign on approx 3000mm legs.

Quantity: 1

Material: Galvanized steel with solid white back.

Fixing: Fabricator to supply fixings. Check method with installer.

Installation requirements: Remove old sign and replace with new one, same height and position. Easy vehicular access.

Other: Based on planter width 1255mm. Council to send letter to councilors to say this is happening. Not final design. Existing sign will need removing. If placed by planter this feels too small. .
