CYNGOR BWRDEISTREF SIROL CASTELL-NEDD PORT TALBOT**

**TOWN AND COUNTRY PLANNING ACT 1990
THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT
PROCEDURE)(WALES) ORDER 2012**

APPROVAL OF FULL PLANNING PERMISSION

Name and address of the applicant

Afan United FC
C/o Agent

Name and address of the agent

Rhys Jones
LRM Planning Ltd.
22 Cathedral Road
Cardiff
CF11 9LJ

DATE REGISTERED: 26 June 2024

APPLICATION NO: P2024/0194

LOCATION: Muga Adjacent To Afan Lido Football Club , The Princess
Margaret Way, Aberavon

PROPOSAL: Re-development of existing Multi-Use Games Area (MUGA) to
an all-weather third-generation ('3G') pitch, spectator stand,
changing rooms and clubhouse, sustainable drainage and
associated works.

NEATH PORT TALBOT COUNTY BOROUGH COUNCIL as the Local Planning Authority
in pursuance of its power under the above mentioned Act and Order hereby **GRANTS
PLANNING PERMISSION** for the development as described above to be carried out in
accordance with the application and the plans submitted therewith, subject to compliance
with the following conditions:

Conditions:-

Time Limit Conditions

- 1 The development shall begin no later than five years from the date of this decision.

Reason:

To comply with the requirements of Section 91 of the Town and Country Planning Act
1990.

List of Approved Plans

- 2 The development shall be carried out in accordance with the following approved plans
and documents:

Application form
Site location plan (PA100)
Proposed site plan (PA102 - Rev P05)
Proposed site plan (zoomed) (PA103 - Rev P05)
Designs Site sections (PA104)
Spectator Stand Rev A (PA106)
Proposed Fencing Rev A (PA107)
5m High Fencing Elevation (PA108)
7.5m High Fencing Elevation (PA109)
Community hall and changing rooms (PA200)
Detailed site section - changing rooms (PA202)
Detailed site section - community hall (PA300)
Afan United FC FOOTBALL LED Upgrade report
Transport Statement and Travel Plan (by Miles White Transport dated June 2024)
Transport Statement Addendum (by Miles White Transport dated August 2024)

Reason:
In the interests of clarity.

Pre-Commencement Conditions

- 3 No development shall commence on site until an assessment of the nature and extent of contamination affecting the application site area has been submitted to and approved in writing by the Local Planning Authority. This assessment must be carried out by or under the direction of a suitably qualified competent person in accordance with BS10175 (2011) 'Investigation of Potentially Contaminated Sites Code of Practice' and shall assess any contamination on the site, whether or not it originates on the site. The report of the findings shall include:

- (i) a desk top study to identify all previous uses at the site and potential contaminants associated with those uses and the impacts from those contaminants on land and controlled waters. The desk study shall establish a 'conceptual site model' (CSM) which identifies and assesses all identified potential source, pathway, and receptor linkages;
- (ii) an intrusive investigation to assess the extent, scale and nature of contamination which may be present, if identified as required by the desk top study;
- (iii) an assessment of the potential risks to:
 - human health,
 - groundwater and surface waters sampling,
 - adjoining land,
 - property (existing or proposed) including buildings, crops, livestock, pets, woodland and service lines and pipes,- ecological systems,
 - archaeological sites and ancient monuments; and
 - any other receptors identified at (i)
- (iv) an appraisal of remedial options, and justification for the preferred remedial option(s).

Reason:
To ensure that information provided for the assessment of the risks from land contamination to the future users of the land, neighbouring land, controlled waters, property and ecological systems is sufficient to enable a proper assessment, and to

ensure compliance with Policies SP16 and EN8 of the Neath Port Talbot Local Development Plan (January 2016).

- 4 No development shall commence on site and if required by condition 3, until a remediation scheme to bring the site to a condition suitable for the intended use by removing any unacceptable risks to human health, buildings, other property and the natural and historic environment shall be prepared and submitted to and approved in writing with the Local Planning Authority. The scheme shall include all works to be undertaken, proposed remediation objectives, remediation criteria and site management procedures. The measures proposed within the remediation scheme shall be implemented in accordance with an agreed programme of works.

Reason:

To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors, and to ensure compliance with Policies SP16 and EN8 of the Neath Port Talbot Local Development Plan (January 2016).

- 5 No development, including site clearance, shall commence until a Construction Environmental Management Plan (CEMP) has been submitted to and approved in writing by the Local Planning Authority. The CEMP shall be made with reference to the requirements of British Standard BS5228-1:2009 - "Code of practice for noise and vibration control on construction and open sites". The CEMP shall include the following information: -
 - i. Construction methods: details of construction materials or techniques to be used; details for the storage and management of plant and materials used in constructing the development.
 - ii. General Site Management: details of the construction programme including timetable; details of site clearance; details of complaint investigation procedures.
 - iii. Control of Nuisances: Identification of the significant construction and demolition noise & vibration sources; details of physical and operational management controls necessary to mitigate noise & vibration emissions; details of dust & odour control measures and measures to control light spill.
 - iv. Traffic Management: details of site deliveries; details for the loading and unloading of plant and materials; details of wheel wash facilities; details for the parking of vehicles of site operatives and visitors.
 - v. Hours of working on site, including specified hours for deliveries; details of restrictions to be applied during construction and demolition works (including timing, duration and frequency of works) to prevent noise or nuisance amenity issues to surrounding properties.
 - v. Responsible Persons: details of the persons and bodies responsible for activities associated with the CEMP and emergency contact details.

The development shall be carried out in full accordance with the approved CEMP.

Reason:

In the interests of biodiversity and the amenity of the area as a whole and to ensure the development complies with Policies EN7 and BE1 of the Neath Port Talbot Local Development Plan (January 2016).

Action Conditions

- 6 A Biodiversity Enhancement and Management Plan shall be submitted to and approved in writing by the Local Planning Authority. The plan should update the biodiversity mitigation and enhancements identified in the Green Infrastructure Statement incorporating a bird box and identifying its specific design and location within the site. The scheme shall be implemented prior to the first use of the 3G football pitch hereby given planning permission.

Reason:

In the interest of biodiversity, and to mitigate to loss of bird nesting/foraging habitats under the Habitats Regulations (2017) and to accord with Policy SP15 of the Neath Port Talbot Local Development Plan (January 2016).

- 7 Prior to beneficial use of the proposed development commencing, and if required by condition 3, a verification report which demonstrates the effectiveness of the agreed remediation works carried out in accordance with condition 5 shall be submitted to and approved in writing by the Local Planning Authority.

Reason:

To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors and to ensure compliance with Policies SP16 and EN8 of the Neath Port Talbot Local Development Plan (January 2016).

- 8 In the event that contamination is found at any time when carrying out the approved development that was not previously identified, work on site shall cease immediately and shall be reported in writing to the Local Planning Authority. A Desk Study, Site Investigation, Risk Assessment and where necessary a Remediation Strategy must be undertaken in accordance with the following document:- Land Contamination: A Guide for Developers (WLGA, WAG & EAW, July 2006). This document shall be submitted to and agreed in writing with the Local Planning Authority. Prior to occupation of the development, a verification report which demonstrates the effectiveness of the agreed remediation, shall be submitted to and agreed in writing with the Local Planning Authority.

Reason:

To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other off site receptors, and to ensure compliance with Policies SP16 and EN8 of the Neath Port Talbot Local Development Plan (January 2016).

- 9 Prior to the first use of the 3G artificial pitch hereby given planning permission, full details of the refuse/recycling proposals and plan for the management of litter for the development shall be submitted to and approved in writing by the Local Planning Authority. The approved details shall be fully implement on site prior to the first beneficial use of the hereby approved development.

Reason:

To ensure appropriate control of litter and management of waste in the interests of residential amenity in accordance with Policy W3 of the Neath Port Talbot Local Development Plan (January 2016).

- 10 Prior to their use in the construction of the development hereby permitted, details and where requested samples of the materials to be used in the construction of the external surfaces of the development shall have been submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

Reason:

In the interest of the visual amenity of the area and to ensure the development complies with Policy BE1 of the Neath Port Talbot Local Development Plan (January 2016).

- 11 Prior to the first use of the 3G artificial pitch hereby given planning permission the carpark should be white lined in accordance with the parking scheme shown on drawing PA103 Rev PO5 (subject to the widening of the pedestrian walkway). The segregated pedestrian route shown on plan PA103 Rev P05 shall be widened to at least 1.5m.

Reason:

In the interest of highway safety and the freeflow of traffic in accordance with Policy TR2 of the Neath Port Talbot Local Development Plan (January 2016).

- 12 A noise assessment of the existing noise climate at the development site shall be submitted to and approved in writing by the Local Planning Authority. The report shall include a scheme of noise mitigation measures for the proposed development. The approved mitigation measures shall be implemented prior to the commencement of the use and be permanently maintained / complied with thereafter.

Reason:

In order to secure appropriate mitigation and safeguard the amenities of nearby occupiers in accordance with Policy BE1 of the Neath Port Talbot Local Development Plan (January 2016).

- 13 A lighting assessment shall be submitted to and approved in writing by the Local Planning Authority. The report shall include a scheme of mitigation measures for the floodlighting included within the proposed development. The approved mitigation measures shall be implemented prior to the commencement of the use and be permanently maintained / complied with thereafter.

Reason:

In order to secure appropriate mitigation and safeguard the amenities of nearby occupiers in accordance with Policy BE1 of the Neath Port Talbot Local Development Plan (January 2016).

Regulatory Conditions

- 14 No coaches associated with the use of the site shall be permitted to enter the club car park.

Reason:

In the interest of highway safety and the freeflow of traffic in accordance with Policy TR2 of the Neath Port Talbot Local Development Plan (January 2016).

- 15 The football pitch, floodlighting, clubhouse and associated development shall only be used between the following times:
- Monday to Friday: Start Time: 08:00 End Time: 21:30
 - Saturday: Start Time: 08:00 End Time: 22:00
 - Sunday / Bank Holiday: Start Time: 08:00 End Time: 20:00

Reason:

In the interest of residential amenity of nearby properties in accordance with Policy BE1 of the Neath Port Talbot Local Development Plan (January 2016).

- 16 The equipment store shown on drawing PA102 Rev P05 shall be a single secure container sited as shown on plan. No other container shall be sited within the site of development following the first use of the 3G pitch hereby given full planning permission.

Reason:

To define the nature of the development in the interests of the character and appearance of the area in accordance with Policy BE1 of the Neath Port Talbot Local Development Plan (January 2016).

- 17 The floodlighting installed shall be installed as shown on drawing PA102 Rev P05 and in full accordance with Afan United FC FOOTBALL LED Upgrade report, prior to the first use of the 3G pitch hereby given full planning permission.

Reason:

In the interests of residential amenity in accordance with Policy BE1 of the Neath Port Talbot Local Development Plan (January 2016).

- 18 The development shall be operated in full accordance with the approved travel plan contained in the Transport Statement and Travel Plan (by Miles White Transport dated June 2024)

Reason:

In the interests of sustainability, highway safety and the freeflow of traffic in accordance with Policy TR2 of the Neath Port Talbot Local Development Plan (January 2016).

- 19 The approved replacement fencing as shown on drawings: Proposed Fencing Rev A (PA107), 5m High Fencing Elevation (PA108) and 7.5m High Fencing Elevation (PA109) shall be installed prior to the first use of the 3G football pitch and maintained in good condition thereafter.

Reason:

In the interests of residential amenity in accordance with Policy BE1 of the Neath Port Talbot Local Development Plan (January 2016).

Informatives:

1 Please note that SAB approval will be required prior to any work commencing. It is a breach of approval required under Paragraph 7 (1) Schedule 3 of the Flood and Water Management Act 2010 whereby action will be taken by the Authority under The Sustainable Drainage (Enforcement) (Wales) Order 2018.

2 The applicant may need to apply to Dwr Cymru / Welsh Water for any connection to the public sewer under S106 of the Water Industry Act 1991. If the connection to the public sewer network is either via a lateral drain (i.e. a drain which extends beyond the connecting property boundary) or via a new sewer (i.e. serves more than one property), it is now a mandatory requirement to first enter into a Section 104 Adoption Agreement (Water Industry Act 1991). The design of the sewers and lateral drains must also conform to the Welsh Ministers Standards for Gravity Foul Sewers and Lateral Drains, and conform with the publication "Sewers for Adoption"- 7th Edition. Further information can be obtained via the Developer Services pages of www.dwrcymru.com The applicant is also advised that some public sewers and lateral drains may not be recorded on Welsh Water maps of public sewers because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. The presence of such assets may affect the proposal. In order to assist Welsh Water in dealing with the proposal the applicant may contact Dwr Cymru Welsh Water to establish the location and status of the apparatus. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times.

The decision to recommend planning permission be issued has been taken in accordance with Section 38(6) of The Planning and Compulsory Purchase Act 2004, which requires that, in determining a planning application the determination must be in accordance with the Development Plan unless material considerations indicate otherwise. The Development Plan comprises Future Wales - the National Plan 2040 and the Neath Port Talbot Local Development Plan (2011-2026) adopted January 2016.

It is considered that the proposal represents an appropriate form of development that would have no unacceptable impact on the locality in terms of its character and appearance, residential amenity and highways. Accordingly, the proposed development is in accordance with Policies SP1, SP2, SP3, SP4, SP5, SP10, SP15, SP16, SP20, SP21, SC1, SC2, OS1, OS2, EN6, EN7, EN8, EN9, W3, TR2 and BE1 of the Neath Port Talbot Local Development Plan.

It is further considered that the decision complies with Future Wales - the National Plan 2040 and the Council's well-being objectives and the sustainable development principle in accordance with the requirements of the Well-being of Future Generations (Wales) Act 2015.

Signed:

Ceri Morris – Head of Planning & Public Protection

Date: 31 October 2024

IMPORTANT:

(1) Please note that for all decisions issued after 16th March 2016 for outline or full planning permission, a revised decision notice will be issued whenever a subsequent consent is given, for example providing details of any Reserved Matters approvals (outline applications only) and/or approval of conditions (including on Reserved Matters). This will ensure that the current status of the conditions applied to a consent is clear. Accordingly you are advised to visit www.npt.gov.uk/planning to view the application documentation to see if this is the current version, or whether it has been superseded by a more up-to-date revision of this Decision Notice. For Reserved Matters approvals the revised Decision Notice will only be shown under the Outline approval.

(2) Please note that this consent is specific to the plans and particulars approved as part of the application. Any departure from the approved plans will constitute unauthorised development and may be liable to enforcement action. You (or any subsequent developer) should advise the Council of any actual or proposed variations from the approved plans immediately so that you can be advised how to best resolve the matter.

(3) In addition, any conditions that the Council has imposed on this consent will be listed above and should be read carefully. It is your (or any subsequent developers) responsibility to ensure that the terms of all conditions are met in full at the appropriate time (as outlined in the specific condition). Please note that any works carried out without compliance with the conditions attached to this approval will be entirely at the risk of the persons involved and may result in formal action being taken by the Local Planning Authority.

(4) The developer should have regard to Sections 4, 7, 8 and 8A of the Chronically Sick and Disabled Persons Act 1970 and to the British Standards Institution's Code of Practice for "Design of buildings and their approaches to meet the needs of disabled people" (BS 8300:2009+A1:2010).

(5) From 1st October 2012 it has been an offence to install a public sewer or lateral drain without having an adoption agreement in place. From the 1st October 2012 the vast majority of all existing private sewers and lateral drains which link with the public sewer network were transferred to Welsh Water. For further details on how this will affect your development please contact: Welsh Water Developer Services, PO Box 3146, Cardiff, CF30 0EH. Telephone No. 0800 9172652 or email: developer.services@dwrcymru.com.

(6) Welsh Water Dwr Cymru advise that the planning permission hereby granted does not extend any rights to carry out any works to the public sewerage or water supply systems without first having obtained the necessary permissions required by the Water Industry Act 1991.

Please note, in accordance with Construction and Design Management (CDM) Regulations, it is the applicant's responsibility to ensure that any proposed works within their curtilage do not conflict with any underground services and is recommended they review their land registry title deeds for any legal covenants. For Sewers or Watermains that may be present and affected by your proposals, you are advised to contact Dwr Cymru Welsh Water who will be able to explain whether your proposed works will be acceptable as well as any consent required. Prior to commencing works, it is also recommend the applicant review the information and guidance on Building Over Sewers

available on Welsh Water's website at

<https://developers.dwrcymru.com/en/applications/planning/build-over-or-near-to-sewers>

The applicant is also advised that some public sewers and lateral drains may not be recorded on Welsh Water maps of public sewers because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. The presence of such assets may affect the proposal. In order to assist us in dealing with the proposal the applicant may contact Dwr Cymru Welsh Water to establish the location and status of the apparatus. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times.

IMPORTANT INFORMATION: TOWN AND COUNTRY PLANNING ACT 1990

The applicant's attention is drawn to the notes below.

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Welsh Government under Section 78 of the Town and Country Planning Act 1990 (as amended).
- (2) You can also appeal to the Welsh Government against a decision to refuse permission or grant subject to conditions in respect of applications made for :- Listed Building or Conservation Area Consent; Consent under a Tree Preservation Order; Advertisement Consent.
- (3) You can also appeal If your application for a Certificate of Lawful Existing Use or Lawful Proposed Use is partly or wholly refused or is granted differently from what you asked for (under Section 195/196) of the Town and Country Planning Act 1990 (as amended).
- (4) If you are aggrieved of the LPAs decision, the following deadlines apply for appeals to be submitted to the Welsh Government (from the date of the Council's decision):-

(1) Planning Permission (with the exception of Minor Commercial and Householder applications – see below)	Within 6 Months
(2) Householder Appeal see endnote i	Within 12 weeks
(3) Minor Commercial Appeal see endnote i	Within 12 weeks
(4) Listed Building or Conservation Area Consent appeals	Within 6 months
(5) Tree Preservation Order (TPO) Consent	Within 28 days
(6) Advertisement Consent	Within 8 weeks
(7) Certificate of Lawfulness of Existing (Section 191) or Proposed (Section 192) Use or Development	Within 6 months
(8) Hazardous Substances Consent	Within 6 months
- (5) Appeals must be made on a form which is obtainable from the Planning & Environment Decisions Wales, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ – Tel 0300 060 4400, or online at <https://planningcasework.service.gov.wales/>.
- (6) The Welsh Government has power to allow a longer period for the giving of notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- (7) The Welsh Government is not required to entertain an appeal if it appears to them that permission for the proposed development could not have been granted having regard to the statutory requirements to the provisions of the development order, and to any directions given under the Order. They do not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by them.
- (8) If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Welsh Government, and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonable beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the County Borough Council, in which the land is situated, as the case may be, a **purchase notice** requiring that Council purchase his interest in the land in

accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Making an Appeal

- (9) Please note that for all applications received by the LPA after 5th May 2017, it is now a requirement that any appeal made to the Planning Inspectorate (other than Householder and Minor Commercial Appeals, and appeals against refusal to grant advertisement consent) must be accompanied by all the information and evidence you intend to rely upon (a **“full statement of case”**). You must also send a copy of the notice of appeal and full statement of case to the LPA.
- (10) In addition, for ‘planning appeals’ an amendment to an application following notice of appeal may only be made to correct an error.
- (11) Additional details and information on making an appeal to the Welsh Government is available from the Planning Inspectorate at the above address and website. The relevant documents are entitled “making your planning appeal” and “planning appeals Public Local Inquiries”.
- (12) Further correspondence regarding this application should bear the reference number quoted on the top of the decision notice.

THIS NOTICE RELATES ONLY TO A PLANNING DECISION AND DOES NOT RELATE TO OTHER LEGISLATION INCLUDING ANY LEGISLATION UNDER:

- BUILDING REGULATIONS – Please contact buildingcontrol@npt.gov.uk or 01639 686820 to discuss all aspects of the service that is offered by Building Control
- HIGHWAY LEGISLATION

IF PLANNING CONSENT HAS BEEN GRANTED IT IS ADVISABLE TO ESTABLISH WHETHER ANY OTHER FORM OF CONSENT IS REQUIRED AND TO OBTAIN SUCH CONSENT BEFORE COMMENCING DEVELOPMENT

ⁱ Please see the [Town and Country Planning \(Referred Applications and Appeals Procedure\) \(Wales\) Regulations 2017](#) for appeal procedures and for full definitions of:

- *“householder application”* (essentially an application for the enlargement, improvement or other alteration of a dwellinghouse, or development within the curtilage of such a dwellinghouse, or change of use to enlarge the curtilage of a dwelling house)
- *“householder appeal”* means an appeal in relation to a householder application, but excludes an appeal against conditions on the grant of planning permission; or an appeal which is accompanied by an enforcement or listed building consent appeal.
- *“minor commercial application”* (essentially relates to existing buildings of no more than 250 square metres gross external floor space at ground floor level, currently in use for any of the purposes set out in Schedule 1A to The Town and Country Planning (Development Management Procedure) (Wales) (Amendment) Order 2015 which is an application for change of use from Class A1 to A2 or A3; or Class A2 to A3); or the carrying out of building or other operations to a shop front.
- *“minor commercial appeal”* means an appeal in relation to a minor commercial application but excludes an appeal against conditions on the grant of planning permission; or an appeal which is accompanied by an enforcement or listed building consent appeal.
