	Foul	Surface Water	Combined	Combined sewer overflow	Special purpose chamber	Treatment works	Pumping station	Private sewer	Private Sewer Transfer
	Foul	Surface Water	Combined	Combined sewer overflow	Special purpose chamber	Treatment works	Pumping station	Private sewer	Private Sewer Transfer
	Foul	Surface Water	Combined	Combined sewer overflow	Special purpose chamber	Treatment works	Pumping station	Private sewer	Private Sewer Transfer
	Foul	Surface Water	Combined	Combined sewer overflow	Special purpose chamber	Treatment works	Pumping station	Private sewer	Private Sewer Transfer
	Foul	Surface Water	Combined	Combined sewer overflow	Special purpose chamber	Treatment works	Pumping station	Private sewer	Private Sewer Transfer

NB: Sewer symbol colour indicates the type.

RED - Combined
GREEN - Surface Water
BROWN - Foul
Purple - Former S24 sewers (for indicative purposes only)

Notes:

Whilst every reasonable effort has been taken to correctly record the pipe material of DCWW assets, there is a possibility that in some cases pipe material (other than Asbestos Cement or Pitch Fibre) may be found to be asbestos cement (AC) or Pitch Fibre (PF). It is therefore advisable that the possible presence of AC or PF pipes be anticipated and considered as part of any risk assessment prior to excavation.

Dŵr Cymru Cymru (the Company) gives this information as to the position of its underground apparatus by way of general guidance only and on the understanding that it is based on the best information available and is not warranted as to its correctness in relation to the extent of excavations or other works made in the vicinity of the Company's apparatus. The user of this information is advised to exercise caution and to verify the information by other means. The information which is supplied by the Company is given as to the position of its underground apparatus and is not intended to be a guarantee of the accuracy of the information. It is the user's responsibility to ensure that the information is used for the purposes for which it is intended. The Company's liability is limited to the extent of the information provided and the Company's liability is not intended to be a guarantee of the accuracy of the information. The Company's liability is limited to the extent of the information provided and the Company's liability is not intended to be a guarantee of the accuracy of the information.

Service pipes are not generally shown but their presence should be anticipated.
