Notes:

Proposed works are located within the boundary of the existing site and sufficiently far from the boundary as to not impact neighbouring buildings.

Existing access, both vehicular and pedestrian, are to remain unchanged.

All existing public rights of way are as existing and shown on location plan.

It is believed no trees on or adjacent to the land will be affected by the proposed development.

Existing hard standing is primarily tarmacadam and paving, this will remain unchanged.

Boundary treatments primarily consist of trees and hedges. These will no be affected by the proposed works, and will remain unchanged.

No loss or provision of additional parking spaces planned. Existing car parking is to remain and be unchanged by proposed works.
