

The rooflights on the front of the house are 114 cm wide and 118 cm tall.

The rooflights on the back are 55 cm wide and 118 cm tall.

The rooflight projects 15 cm from the roof of the original house.

No part of the rooflight will be higher than the highest part of the original roof.

The appearance of the materials will, as far as possible, match the appearance of those used on our existing roof and be a dark grey.
