

Below is an aerial image of T1 Sycamore (yellow outline) which is in the garden of 24 Beechwood avenue, Neath, SA11 3TE. The numbers on the map are a bit disjointed, the house further along to the right of beechwood avenue is 26 and not number 28. The position of the tree is approximate, but is very clear once in the property as there are no other sycamores in the garden.
