Dear Sir/Madam,

Town and Country Planning (Environmental Impact Assessment) (Wales) Regulations 2017 - Request for Scoping Direction for a Proposed Wind Farm and Ancillary Development (Upper Lliw) on land north of Felindre, Swansea.

Regarding the above, please accept this letter as a request for a Scoping Direction under Regulation 33 of the Town and Country Planning (Environmental Impact Assessment) (Wales) Regulations 2017 ('the EIA Regulations'). The request is made in relation to a development of national significance for the purposes of section 62D of the Town and Country Planning Act 1990 (the '1990 Act').

Accordingly, a Scoping Report (reference: JPW2143) is enclosed setting out the following information required under Regulation 33(2):

1. A plan sufficient to identify the land;
2. A brief description of the nature and purpose of the development including its location and technical capacity;
3. Its likely significant effects on the environment;
4. A statement that the request is made in relation to a development of national significance for the purposes of section 62D of the 1990 Act; and
5. Such other information or representations as the person making the request may wish to provide or make.

In accordance with Regulation 33(3) a copy of this request and the documents which accompany have been sent to the relevant planning authority.

I trust that, in accordance with Regulation 33(7), within 8 weeks beginning with the date of receipt of this request, the Welsh Ministers will adopt a Scoping Direction regarding the proposed development and return a copy to me.

Should you have any queries or need any further information please do not hesitate to contact me.
