

Station coordinates			
Station	274681152	Northings	139055244
		Eastings	66.591

ADDITIONAL NOTES			
1. All work done in accordance with the relevant standards and specifications.	2. The survey was carried out in accordance with the relevant standards and specifications.	3. The survey was carried out in accordance with the relevant standards and specifications.	4. The survey was carried out in accordance with the relevant standards and specifications.

SURVEY DETAILS			
1. Locality and OS datum determined by GPS	2. North arrow indicates approximate North	3. Contour interval 0.5m	4. All internal metric details to be checked
5. All internal metric details to be checked	6. All internal metric details to be checked	7. All internal metric details to be checked	8. All internal metric details to be checked

SURVEY DETAILS
