Hi Matthew,

Thanks for getting in touch regarding the outstanding condition 13 in relation to verification of remediation works completed on site.

Previously I have agreed discharge of conditions 5 and 6 in regarding ground investigation and remediation at the development. As a result, condition 13 in relation to verification is no longer relevant and I am happy to approve and confirm the discharge of this condition.

If there is any further assistance you require or help that I may be able to provide, please do not hesitate to get in contact.

Kind regards,
James Malatynski
