| Revision | Date       | Description                                                                                                                   |
|----------|------------|-------------------------------------------------------------------------------------------------------------------------------|
| Rev A    | 14.11.2024 | Scheme redesign in response to Pre-App feedback - Elevations updated to reflect amended building footprint.                   |
| Rev B    | 04.04.2025 | Building Sections updated following Pre-App response - Lift heights added, Section DD added to illustrate proposed roof form. |
| Rev C    | 03.06.2025 | Elevations revised in accordance with the latest tree survey and the proposed embankment.                                     |
| Rev D    | 11.06.2025 | Section D-D updated to show dual pitch roof with internal valley and additional rainwater downpipe on south elevation.        |
