

Biodiversity Enhancement Statement for Extension to 18 Castle Drive, Cimla, Neath SA11 3UY

Biodiversity Enhancement Provision

The proposed extension will include enhancement for biodiversity with the addition of a new bird nesting box. The bird box will be located on the rear north west facing elevation of the house. The client has already provided several bird boxes within the lower garden that assist to contribute to local biodiversity & wildlife.

Example bird box by National Trust 'Woodstone' Green 32mm Next Box
