

NEATH PORT TALBOT COUNTY BOROUGH COUNCIL

The Town and Country Planning (Development Management Procedure)
(Wales) Order 2015 (as amended)

HEAD OF ENGINEERING & TRANSPORT

HIGHWAYS OBSERVATIONS

PLANNING APPLICATION NO: 2/3/26/0253/00
APPLICANT: Padel4Pawb
LOCATION: Briton Ferry Steel Cricket Club, Ynysymaerdy
Road, Briton Ferry, Neath Port Talbot, SA11 2TE
PROPOSAL: Proposed construction of 2no. outdoor padel courts
including raised platform to enable them.

The Highway Authority, in responding to the above application, provides the following substantive response:

No comment	☐
No objection (subject to any specified conditions below)	☒
Concerns have been identified (see below for how those concerns can be addressed by the applicant)	☐
Objection – on the grounds set out below	☐

MY HIGHWAYS OBSERVATIONS ON THIS PROPOSAL ARE AS FOLLOWS:-

No highway objection to the proposed padel court development subject to it being constructed in accordance with drawing 'Proposed Padel Courts Plan and Elevations' (PP/BFSCC/004).

NOTES TO PLANNER

SAB Approval is required prior to work commencing on site as the proposed construction area exceeds 100m².

Please note that from 7th January 2019, all new developments of more than 1 house, or where a construction area is of 100m² or more, plus if the SAB authority believe that any redevelopment of land has significant surface water drainage implications. This will require sustainable drainage - built in accordance with mandatory standards for sustainable drainage published by Welsh Ministers - to manage on-site surface water. More information is available in [Schedule 3 of the Flood & Water Management Act 2010](#).

These systems must be approved by the Council's SAB & Highway Development Control Section **before construction work begins**. In this respect it is essential that a developer of any such project gain SAB approval of its surface water drainage alongside any relevant planning permission. **You will not be allowed to start construction until both permissions have been approved.**

If you have not done so already, and your development would not fall into any of the relevant exceptions, you are therefore strongly encouraged to request further advice from the SAB. Involving the SAB Officers in pre-application discussions will allow for SuDS drainage matters (to ensure suitability of proposed SuDs design in line with national standards and adequate site layout) to be considered alongside the assessment of planning merits. There is an additional charge of £250 for this service. This can be as part of any agreed further pre-application submissions with the Planning Authority (recommended) or independently/ direct with the SAB. You are advised, however, that failing to engage in joint pre-application discussions has the potential to lead to delays and, most notably, the potential need to obtain further planning permission should any agreed SuDS design not be compliant with any relevant planning permission. Further details are available at www.npt.gov.uk/sab
