SAFETY, HEALTH AND ENVIRONMENTAL INFORMATION	
In addition to the hazards/risks normally associated with the types of work detailed on this drawing, note the following significant residual risks (Reference shall also be made to the design hazard log).	
Construction	- Requirement for services diversions in advance of works to install new culvert - Potential for encountering unplotted services or private underground services - access to be maintained to residential and commercial properties - Presence of asbestos containing materials at Carreg Hir - Presence of contaminated soils in areas of former industrial use (land at Penhiwlin) - Maintaining of existing surface water flows - Sudden increase in flows
Maintenance / Cleaning	- Trash screen will require regular inspection and clearance - Trash screen and outfall to be inspected after storm events - Attenuation tanks to be cleaned by high flow jetting - Silt/rock traps to be emptied to prevent culvert blockage
Use	- Trash screen will require regular inspection and clearance - Trash screen and outfall to be inspected after storm events - Attenuation tanks to be cleaned by high flow jetting - Silt/rock traps to be emptied to prevent culvert blockage
Decommissioning / Demolition	- Requirement for services diversions in advance of works to install new culvert - Potential for encountering unplotted services or private underground services - access to be maintained to residential and commercial properties - Presence of asbestos containing materials at Carreg Hir - Presence of contaminated soils in areas of former industrial use (land at Penhiwlin) - Maintaining of existing surface water flows - Sudden increase in flows

SAFETY, HEALTH AND ENVIRONMENTAL INFORMATION

In addition to the hazards/risks normally associated with the types of work detailed on this drawing, note the following significant residual risks (Reference shall also be made to the design hazard log).

Construction

- Requirement for services diversions in advance of works to install new culvert
- Potential for encountering unplotted services or private underground services
- access to be maintained to residential and commercial properties
- Presence of asbestos containing materials at Carreg Hir
- Presence of contaminated soils in areas of former industrial use (land at Penrhwiwn)
- Maintaining of existing surface water flows
- Sudden increase in flows

Maintenance / Cleaning

- Trash screen will require regular inspection and clearance
- Trash screen and outfall to be inspected after storm events
- Attenuation tanks to be cleaned by high flow jetting
- Silt/rock traps to be emptied to prevent culvert blockage

Use

- Trash screen will require regular inspection and clearance
- Trash screen and outfall to be inspected after storm events
- Attenuation tanks to be cleaned by high flow jetting
- Silt/rock traps to be emptied to prevent culvert blockage

Decommissioning / Demolition

- Requirement for services diversions in advance of works to install new culvert
- Potential for encountering unplotted services or private underground services
- access to be maintained to residential and commercial properties
- Presence of asbestos containing materials at Carreg Hir
- Presence of contaminated soils in areas of former industrial use (land at Penrhiwtin)
- Maintaining of existing surface water flows
- Sudden increase in flows

Appendix C. Maps

C.1 Location of designated historic assets

C.2 Location of non-designated historic assets

Appendix D. Gazetteers

D.1 Designated Assets

Record Number	Name	Designation
GM489	Ynysmaerdy Railway Incline	Scheduled Monument
GM170	Carreg Hir Standing Stone, Pen-Rhiw-Tyn	Scheduled Monument
23296	War Memorial, including revetments and steps	Grade II listed building
23303	Ynysmaerdy Incline bridge over Pant Howel Ddu	Grade II listed building
23305	Salem Baptist Chapel	Grade II listed building
23306	Church of St Clement	Grade II listed building
23308	Bridge over Ynysmaerdy Incline	Grade II listed building
PGW(Gm)62(NEP)	Jersey Park	grade II registered park and garden

D.2 Non-designated assets

PRN	Nam	Summary
GGAT00583 w	Carreg Hir (cwrst Sart Standing Stone)	In grounds of Cwrst Sart Comprehensive School, reset on a concrete foundation. A massive slab of sandstone with its widest faces E and W; parallelogram in plan; in elevation sides taper slightly to a squared top. The E face is the flattest. GGAT 72
01701.0w	Rhondda and Swansea Bay Railway	Promoted and built during the 1880's to connect the Rhondda and Afan coalfields with the port of Swansea and opened in stages between 1885 and 1895
GGAT00607 w	Pencaerau Bank, Neath	Hillfort or just a boundary bank dividing off the arable land from the hillock. The bank is 6m wide and half metre high on the S, with the possible remains of a similar one on the W. An old bank can be traced, making an oval enclosure of about 0.1 ha.
GGAT00646 w	Ynys Y Maerdy Manor House and Watermill, Neath	Manor house and water mill with extensive changes visible with each publication. Four editions of OS map highlight the changes.
GGAT01967 w	Ynys Y Maerdy Grist Mill	The site comprises a Post-medieval mill entitled Ynys Y Maerdy Grist Mill situated within the community of Briton Ferry. No further information is currently available.

PRN	Nam	Summary
GGAT02717 w	House, Cwmnantyrarllys	Post medieval dwelling thatch roof, hearth passage, end entry.
GGAT04285 w	Craig Y Daren Levels li	Levels as noted on OS 6 inch 2nd edition 1900 map. Area contains a number of levels and trial levels. These have been made safe and are now overgrown.
GGAT04287 w	Briton Ferry Enclosure	Enclosure as noted on OS 6 inch 2nd edition 1900 map.
GGAT04413 w	Craig Y Daren Air Shaft	Air shaft as noted on OS 6 inch 1st edition 1884 map. Shaft has since been backfilled and now acts as a drain outlet.
GGAT05128 w	Jersey Park, Briton Ferry	Exceptionally well preserved urban public park. Its original layout of formal and informal areas remains complete and includes sports facilities. Planting in the park is diverse and interesting, with an emphasis on evergreen trees and shrubs.
GGAT07250 w	Water Management Feature, Briton Ferry	Probable pond, shown at this location on 2nd edition OS mapping.
GGAT07267 w	Findspot, Briton Ferry	The site comprises the location of a findspot where a metal detector identified the remains of a 16th/17th century stem of a Knop seal spoon with indications of a seal at the base (Jenkins 2014).
GGAT07384 w	Ty-nef, Pyle	an unassigned structure that can be found on the first edition of the ordinance survey map
GGAT07385 w	Small Complex, Briton Ferry	A small complex of buildings to the south west of Cefncoed farm that can be found on the first edition of the ordinance survey map
GGAT07386 w	Old Air Shafts	old air shafts that are north of Ynysmaerdy which can be found on the 1st edition of the Ordinance survey map
GGAT07387 w	Ty-copyn, Briton Ferry	Ty0copyn is a house that can be found on the 1st edition of the Ordinance survey map
GGAT07388 w	Esgyrn Colliery	A colliery south of cefncoed farm that can be found on the 1st edition of the Ordinance survey map
GGAT07390 w	Old Levels	old coal levels that are visible on the second edition of the Ordinance survey map
GGAT07393 w	Structure, Briton Ferry	A structure associated with a nearby quarry that can be found on the 3rd edition of the Ordinance survey map
GGAT07394 w	Dwellings/Structures , Briton Ferry	Possible dwellings that can be found on the 3rd and 4th editions of the ordinance survey map

PRN	Nam	Summary
GGAT07512 w	Findspot, Briton Ferry	The site comprises the location of a findspot where a metal detector identified a complete gilded general service WWI cap badge, numerous pre-decimal coin denominations dating from 1897-1934 and a number of spent 7.23 and 303 cartridges (Jenkins 2014; HERP2412).
GGAT08993 w	Longhouse, Carreg Hir Comprehensive School	Longhouse structure seen on early OS mapping
GGAT09096 w	Ynysmaerdy Cemetery Chapels, Briton Ferry	Twin stone built chapels which are linked to form a bell-tower entrance. Constructed at the end of the 19th century.
GGAT09101 w	Y Graig Chapel, Neath Road/Ynysymaerdy Road, Briton Ferry	Imposing large chapel of dressed stone construction. Dated 1890.
GGAT09155 w	Bethesda Congregational Church, Briton Ferry	Small distinctive early 20th century chapel in largely original condition of stone construction with stone features and some timber framing decoration.
GGAT09343 w	Leighs Barbers Shop, 177 Main Rd, Briton Ferry	Traditional shop front with windows on 2 elevations.
GGAT10424 w	Enclosure, Craig-y-darren	Enclosure identified via LiDAR and site visit.
GGAT10426 w	Farmstead, Craig-y-darren	The semi-rectangular field to the south suggests a possible enclosure / garden area commonly found associated with old smallholdings.
