NOTES

1. 4 existing bays utilised to provide 4 standard sized EV charging bays.
2. Existing BYD 120kW chargers to be removed. BYD 160kW chargers to be installed at the head of bay, positioned behind the kerb line on raised verge.
3. Existing RB1000 feeder pillar to be removed. FC18 GRP feeder pillar to be installed on existing grass verge as shown, with slate chippings at the front for access.
4. Existing line painting within site boundary to be reconfigured as shown.
5. Existing vegetation to be removed within site boundary where required to accommodate equipment.
6. All measurements to be taken from the centre point of a line, unless stated otherwise.
7. Please note this is an expansion site. Please also Refer to the previous planning application for further information regarding the existing site. (Ref No. P2020/0829)
8. Site Area = 58m²

NOT FOR CONSTRUCTION
